Fajita tent 20'x10'x15' double peak high tent with high grade digital custom graphics printed on thick fire proof vinyl. This is a heavy duty frame and very well built and can be assembled in 25 min with just two people. Tent will come with a roll around 4' propane griddle grill. I can price just the tent or I would entertain selling tent and event location at the Kansas State Fair. Starting the Friday after Labor Day running for ten days. This tent has only been used twice. No holes and in new condition tent and grill \$5000 obo ; tent, grill and location (25x30)\$10000 obo I also have another location (30x30)that joins this one if someone is interested in two spots side by side (55x30) \$15000 obo. Please email with any questions thesilverspur@yahoo.com. Thanks
