I have for sale this 2017 Odes Dominator 1000 LT with less than 500 hours. It is a 4 door, long travel suspension, 5 passenger seats. It's dump bed is electric, easily look on line for the specs. Roof LED lights, front bumper LED lights, front and rear (2) wynches, 1/2 solid doors, soft enclosure all around. I rode it one season and moved to MN. To minimize in-cab overheating, I had a larger water pump installed, wrapped the exhaust pipes, installed an additional fan under the hood. It's located in Montrose, CO. I hate to sell this beast (the move to MN was expensive). I had to move to Minneapolis because of family illness and won't be living back in Colorado. Runs great! Powerful as an ox with 1000 cc. Asking 12,500. OBO Call 970-275-9701
