Address:

Mariners Glen, Port Orchard, Port Orchard

Price:

25.00 \$

This listing comes with the Leapster GS Explorer Leap Frog Console, with the game BRAVE. Camera works great. Includes power supply and the USB cable. Works great, wear on the A/B buttons from use. I tried to set GS to factory default, but couldn't figure it out, so removed photos and as much of the personal things that I could. A couple of profiles are still on the GS, but if you can reset it, they will be removed. Sorry
