I have for sale a nice loveseat. It's an Ethan Allen settee or sofa.

The nice cream color is sure to go with any color decor!

The serial number is 84777

Measurements are:

58" across

28 1/2" floor to top of wood

17" floor to cushion top

33" from wall to the front

~~I'm selling this because it's too big for my room. Asking \$500.00.

I'd like to replace it with a chair.

It's in very good condition. It has only one small spot, on one of the throw pillows.

My husband and I will deliver within 100 miles of 31826.
