Address:

Columbus

Price:

33950.00 \$

We purchased this in 2009 from the original owners. At that time, it had 28k miles. We put on another 23k miles going coast to coast and many places in between. It has had minimal use since 2014 because we purchased a home in Arizona. It has been stored in a garage.

- * 35 ft Class A motorhome
- * Workhorse Chassis, GM engine and Allison transmission
- * Safe-T-Steer self-centering device, Coach will stay on the road in the event of a tire blow-out or high wind
- * Front/rear stabilizer bars and Koni brand shocks - minimilizes wandering from passing trucks/wind - better handling, comfort, less driver exhaustion
- * Hydraulic leveling jacks
- * Three Slideouts
- * Tons of counter space, convection/microwave combo, solid surface counters, slide in/out counter, galley fan, split bathroom w/corner style shower and skylight, queen bed, push button couch to queen bed, newer flat screen TV, satelite ready, upgraded with Alpine deck and Pioneer speakers, VCR/DVD, drivers door, rear camera with audio, large electric patio awning, 50 amp service package, 500 On-board generator, Blu-ray flat screen comfortably seats 5, lots of storage, low miles, non smoking, no pets.
