Hello All,

This is a gently used Ph.D. robe that I bought during my pregnancy. It is rather large now, as you can imagine. I ONLY WORE IT ONCE! It is roughly the size of a 2XL. I paid \$400. but am selling it at a deep discount for cleaning purposes. Everything is included: robe, hat (the circular soft hat and not the hard one), tassel, and even the hood if you want. Though the hood is in Ole Miss' colors.
