Hi, thank you for reading this. I have some very good quality furniture I would like to sell here because I am moving out from Bellingham.

These furniture includes:

1. Ikea Bookshelves (I got with \$250, now ask for \$30 in a very good quality. But you need to come and pick it up)
2. Study table (I got with \$80, now ask for \$20 in a very good condition)
3. Tatami bed (I got with \$300, now ask \$50 which include a Tatami bed and bed frame. If you want the second tatami bed, I only ask for another \$30.)
4. Coffee table in a solid wood. Ask for \$20.
5. Cookwares include Juicer, bread maker, soy milk maker, and blender all in good deal.
