1949 rebuilt C tractor for sale, along with AC single bottom plow, AC sickle bar, AC cultivator, and John Deere trip plow.

Front-end counterweights, CAT 1 hitch conversion, re-glazed gas tank, inline gas filter. Snow chains are included. PTO and hydraulics all work. Oil and water temp gauges work. Ballasted rear tires are calcium chloride filled. Left rear tire has little wear. Right rear tire is almost new. Front tires in good shape, hold air. Owner's manual included.

Allis Chalmers single bottom plow, blade and cutter in good shape. Includes piston.

Allis Chalmers sickle bar, all cutters intact and in good shape. Mounting frame, belts and pulleys included.

John Deere trip plow in good shape. Frame indentation suggests a model 614. All mechanisms work. Tires hold air.
