Address:

**Southwest Lawrence, Lawrence**

Price:

**150.00 \$**

Four matching very sturdy solid wood bar stools. Counter height (seats are 24.5 inches above the floor - not the tall bar height). Black painted frame with stained-color seats.

Seats are larger/more substantial than found on most bar stools.

Very good condition with just a few chips in the black paint. Maybe that's considered naturally distressed ;)

Cash

only.
