Address: **Lynnville**  
Price: **20.00 \$**

Free Postage Australia Wide.

The Polyzand® peeler features the double edged serrated blade which grips and cuts in two directions. This gripping effect makes the peeler very easy to use, almost no pressure is required making it of particular advantage to people with arthritis.

The Polyzand® peeler incorporates a melon ball scoop on the side of the handle and is a registered design. The new Polyzand® handle is smoother to hold, flexible yet very strong and dishwasher safe.

The 'U' shaped handle allows a comfortable wide grip suitable for left and right handed people.

## APPLICATIONS

The size of the small blade's is 50mm

The size of the Large blade is 68mm Mark II

Advantage to people with Arthritis  
Can be used Right or Left
