Original antique navajo indian rug. I will post pics of my moms rug for sale and show a pic of what one is listed for on one site. Have no idea what it is worth. Some sell really high and others sell for a few hundred. This one is old because my mom was 94 when she passed away a year ago and she had it As long as I remember and I am almost 60. Has one dime sized spot. I didn't even try to get it out as i didn't want to risk damaging it.
