Address:

701 Iowa Street, Saint Marys, St. Marys

Price:

50.00 \$

13 1/2 yards of burgundy heavy upholstery fabric. polyester. There's a small stain at the end and a piece had been cut out. I didn't include this in the yardage so you're getting a little more. I purchased this years ago to reupholster a couch. I get a little too ambitious and didn't have the time to tackle such a job?????. I am purging and decided I must let this go.
