Priced reduced to \$200!

Round, glass-topped table with 4 matching swivel chairs.

Table is 48" diameter glass with tapered-edge clear glass top. White rattan base, 28 1/2" tall.

Chairs are matching swivel armchairs with casters. Matching white rattan frames.

Chair seat cushions are reversible. The glass top lifts off easily.

We used this set in our family room on carpet; the casters are carpet friendly.

There is nothing delicate about the glass top!

I would consider delivery.
