Address: **59890 Suncrest Drive, Saint Helens**

Price: **200.00 \$**

Selling the following gear used only once for a company event:

- Tipman A-5 paintball marker
- JT-3000psi 48 cu tank
- Eagle Air 9oz tank
- 4x Empire olive drab 140 round guppies
- Saveface multicam mask (visor and case included)
- 4x Viewloader guppies with 2x carry cases
- about 1700 rounds of JT paintballs

If I can find it, I even have a remote line for the tank with a multicam cover. I will throw it in at no extra charge, will have to dig around for it. The 9oz tank needs a new o-ring...should only cost a few cents though. Price is firm and a good deal! May the early bird catch the worm...

p.s. If you need it delivered that will cost a little more but is possible if you aren't too far away.
