In search of a good home for this sweet little girl. My daughter rescued her (she was a stray) and we can't keep her. We took her to the vet and she's been dewormed, heart worm medication, flea and tick medication and all of her puppy shots were given. She is very playful and loves everyone. She is about 6 months old, short haired and extremely snuggly. The vet said she's "just cute" when asked what breed she may be
