Address: **314 E. Beall, Near Fairgrounds, Bozeman**

Price: **18000.00 \$**

Blue Bird 1994 with a Cummins 5.9 engine Asking \$18,000

I purchased this beauty back in 2017 already converted and have been very happy with it. I wish I didn't need to sell. I'm ready for her to go to someone who is ready for her.

The RV is complete with 80 gallon fresh and 80 gallon grey water tanks, 12v and 110v power systems, air conditioning, small wood burning stove, on-demand water pump, propane refrigerator/freezer, a shower, a natures head toilet, two couches up front, a cafe dining table and chairs, and a like new Saatva Queen sized bed (including very comfortable Ikea bedding and pillows) The front door has been configured to lock. I'm also leaving my pans, dishes, cutlery,(everything in the kitchen) bath towels, several empty bins for under bed storage, many extras that will make your life comfortable.

The bus is set up to go off grid or RV hookup.

A 4ft deck has been welded onto the back to carry your favorite toy, generator, etc... Or, just relax on the deck with your coffee.
