Address: Scappoose

Price: Free

My husband designed and hand made these picnic tables for our wedding and they turned out gorgeous. They helped make our wedding rustic and elegant and would serve the same purpose in your wedding or backyard! They seat 8 people and have two benches included. They have only been used once for our wedding so are in brand new pristine condition! They are heavy so we are looking for any buyers to be able to pick up. We are asking for \$350 each.

9'6.5"L x 3'4.5"W x 2'6"T

Solid Douglas fir

Not stained or treated
