Custom stain-safe Southern motion bonded leather couch, loveseat, recliner. The set of 3 pieces retails for over \$2,800! The sofa and loveseat are both double recliners. All 3 are manual recliners. We moved to a new place and they are too big for the living room. Some of the bonded leather is peeling on the arm of the sofa. We use tape and a towel to cover it and it has not spread. You could also use a couch cover. Get all 3 pieces for \$425 or OBO. Cash only. U-haul.
