Address:

St. Peters

Price:

400.00 \$

Low loft style wood bed with steps and drawers (drawers on the side of the steps), 3 drawer dresser, and a book shelf. The dresser and bookshelf fit underneath the loft to save space. They can be arranged to form a cubby play space as seen in the pictures. Everything was purchased as a set from Ashley furniture. It is in great condition and the mattress is included. This is being sold as a set.
