Kenmore electric dryer in great shape. Currently has a 4-prong plug, but can be easily changed to a 3-prong. Worked great last time we used it, but got another one when we moved. It is very clean inside and out. Has a few minor scratches just from typical use. This dryer sells for much more in stores, but I just need to get rid of it. My # is 919-397-9318
