Still have original box and charger with fast charging USB power supply. Can be any device long as its Verizon, or Unlocked. Also only equal value or some kind of boot. Looking for iPhone X though if possible. Would also be willing to trade for a lower generation device if it came with a watch. Like iPhone 7 or 8 with Apple watch or S8 or S9 with Galaxy watch. ALSO. JUST SEEING WHAT I GET IF ANYONE HAS A VEHICLE THEY WOULD WANNA TRADE OR MOTORCYCLE LOL.
