Grandpa passed away and we need to empty out his home. Many items were left from a family member and now it is our responsibility to 1) sell or 2) pay for a dumpster (to nice to go into the trash) or 3) donate.

Please contact me if you would be of any interest of furniture and random household goods. The garage is full, floor to ceiling....we are overwhelmed and do know everything that is available! free-\$5-\$20...all inexpensive! 608-487-7999. Items
