I'm the second owner of this 2007 Honda 400EX. It had approx 10hrs on it when I bought it in November 2017. I'm Selling it to get a 4x4 for hunting. Everything is original except I upgraded the rear skid plate from plastic to metal, Installed a K&N air filter, and just put the first set of new tires on it. Runs great, Everything works. 100% ready to ride. Call or Text Steve 931-636-7522
