Address:

225 East Street, Fairport Harbor, Fairport Harbor

Price:

500.00 \$

Antique enamel Prosperity gas stove/oven with electric light. Guessing 1940's model (the house was built in 1946). Needs a little work, but in good condition. The electric light works. Not sure if the gas stove/oven is working. It's been stored in the basement for more that 30 years.

I'll get it out of the basement. Buyer must pickup/transport.
