Address:

3770 Silver City Hwy NW, Deming, Deming

Price:

11600.00 \$

Due to family health issues I am selling my 2019 Lamar 30' tandem axle 25,000 gvw gooseneck trailer with 2 Dexter 10,000 pound EZ lube axles and electric brakes on both. Load carrying capacity is 18,000 lbs. Trailer was purchased in February and has been used three times. It is essentially brand new. It has extra wide heavy duty ramps with torsion springs to assist with deployment and retraction, stake pockets and rub rails across the entire length, locking tool box, and in my opinion is the highest quality and capacity trailer I could find. Included with the trailer are 3 S70 Grade 25' 3/8" chains and 1 S70 5/16" Chain, 4 heavy duty ratcheting binders, 2 heavy duty reinforced rubber wheel chocks, a Gander Lock gooseneck lock and spare tire. All tires are in near new condition. The trailer alone was over \$15,000 new.
