Address:

Toledo

Price:

Free

We have three items that would be of interest to collectors. One is a "mangle" ironing machine from the 1940 era. The next is a kerosene stove from the 1920 era. The last is a large glass front display case with individual spaces from the 1930 era. These are located in Toledo. Interested parties need to contact by email. R2H1@COMCAST.NET
