Address: 3605 SE Salmonberry Dr SE, Port Orchard, Port Orchard

Price: 350.00 \$

This hard to find dome top trunk was a great find in Virginia Hunt country. It has been used in my home and is free of moisture, lovingly cared for with lemon oil over the years. Both exterior and interior are original to the piece and have not compromised the value of age. A piece wonderful family pass on. Serious offers only, please.
