This clock is a Kundo 400 day clock, rectangular in shape and made of brass. This clock is not a battery operated clock, it is a windup clock.

It could use a little polishing but it's in good running condition.

Measures Approx.

7 1/2" W  
10 1/2" T  
4 3/4" D

You can see this clock in operation here:

This clock is one of 3 clocks that I have listed on County Buy, Sell, Trade, one of the photos shows all three together. They are \$45.00 each or \$100.00 for all three.
