Original gifts for that yard & garden lover!

3 step-stones for \$40.00

Obsidian, Petrified Woods, Crystallized blue, yellow and orange Quartz and many Geode and Thunder Eggs. 30 years picking up rocks along Pacific NW waterways; has inspired "Rock-a-Doodling" art.

I saw/cut and polish stones which then inspire an imaginative flower, tree, bug-creature, mosaic and sphere creations.

Each step stone is unique in design by shapes of raw cuts from a variety of Idaho, Montana, Oregon/Washington- Jasper's (green, yellow, red), ocean and river Quartz and Agates found in the Pacific NW by-ways.

3 for \$40.00
