If i provided you with a fool proof meal planning guide, 7 different 30 minute workouts, portion control containers to measure food, and a 30 day supply of dense nutritious shake and a guarantee that you'd lose 10- 15 pounds in 21 days, would you do it?

My friend Britney lost 12 pounds, 30 inches and 5 pant sizes in 21 days following this program. Message me for details. #newyearnewyou #whynotyou
