LG 30" Electric Range with Double Oven and Glass Top - Freestanding. This LG Range has been great and works great. 6.7 cu. ft. Capacity Electric Freestanding Range With Double Oven, Infrared Grill System, EasyClean, 2 Dual Cooktop Elements, True Convection - Bottom Oven, Blue Interior & Steel. After having a gas range for 30 years, we have decided to switched back back to gas, otherwise we would continue with this one. Cash or Cashiers Check only.
