Address: **Marysville**  
Price: **150.00 \$**

I'm selling my Microsoft Surface RT. It's the 32GB model.

Perfect condition, no scratches, cracks or signs of wear. I used all through college and it worked like a charm for note taking and on the go studying. The only reason I'm selling it is because I'm upgrading to a Surface Pro model that better suits my business needs.

This is the perfect tablet/laptop combo for any computer user! Price is fairly firm, but make an offer and I'll consider it:)
