Address: 108 N. 8th Ave., East Denison, Denison

Price: 45.00 \$

Porch pick-up, Denison, Tx. Cross-Posted.

In very good condition.

The 8 tumblers and ice bucket are chip free.

Very light signs of use only.

Light to moderate gold wear to the gold rings at the shoulder level on the glasses and to the gold rims on both glasses and ice bucket. Otherwise, the gold designs are intact with minimal wear.

The brass tray in very good condition with scattered areas with light discolorations, I'm pretty sure most are removable with brass cleaner, which I'm out of.

A hard to find complete set, 8 tumblers, ice bucket, and tray.

Perfect mad men era barware for your modern day man cave!

Ice bucket measures 4 3/4" tall by 5 3/4" in diameter at the rim.

The glasses measure 3 1/2" tall by 3 1/4" in diameter at the rim.

The tray measures 12 1/2" square by 10 1/2" tall at the handle.
