Hello everyone! My name is Glade and I am with KD Cleaning LLC, a residential and commercial window washing company and we want to wash your windows!

A little of what we do:

*We are willing to travel to wherever you live

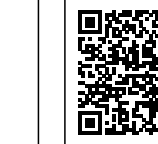

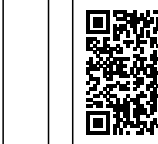

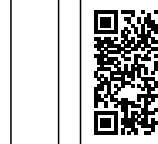

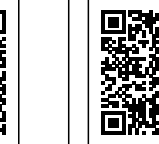

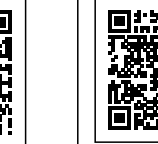

*Skylights and solar panels are same cost as windows

*Frames, screens, and panels (all part of the cost)

*The chemicals we use are eco and pet friendly, plus creates an invisible weather-proof coating, like RainX, that lasts about 6 months

*If the weather acts up and the windows are negatively effected, give us a call for free touch ups!

For a free quote, give me a call or text at 505-800-3188 or message me on here, thanks!
