I have been a touring professional since 1985 and have taught many bass and guitar students from Boston, Colorado, New Mexico, North Carolina, Vermont, and Tennessee mentoring both non music reading students to advanced level players, even studio and touring musicians.

I have developed a method for any level student based off my 20 years of touring prior to attending two advanced music colleges in the late nineties, which covers ear training, timing, finger picking, hybrid flat picking, chord structures, scales, and most importantly, collaborating with others you may know without being dependant on watching their moves!

I always encourage students to select two favorite songs to learn. I cover many genres of music leaving you lots of options. Currently, I host private one on one lessons via the Zoom Conference app which is free and most colleges use. Students use Zelle through their bank or The Cash App for simple efficient payments.

If you like Chet Atkins, Robben Ford, Vince Gill, Tommy Emmanuel, Brooks and Dunn, classic rock, the Beatles, or my lessons style is
