Address: **108 N. 8th Ave., East Denison, Denison**

Price: **50.00 \$**

Six sections of antique victorian era cast iron garden fence trim/ border.

The large sections measure 18" wide by 18" long or tall including the spike.

The ornate design measures 10" top to bottom or tall.

Two of these sections are missing both spikes and one is missing a finial(which has been located and is included).

One section is missing one end. Two of the remaining sections are missing one spike each.

There is only one large section that is complete.

However, they do interlock and stand with each other if placed appropriately.

The small section measures 18" tall with the spike, the design measures 8" wide by 10" tall.

Great old pieces of decorative iron for garden purposes. They hang on the fence.
