Hi all, my name is Glade, I'm with KD Cleaning LLC, a local residential and commercial window washing company, and we want to wash your windows!

We understand that there may be concerns with the Covid-19 and we are more than willing to take whatever precautions would make you comfortable.

Some brief info about us:

*We have two window washers

*The chemicals we use are eco and pet friendly, plus creates an invisible weather-proof coating that lasts about 6 months or so

*If the weather acts up and negatively affects your windows after we have washed them, we will do free touch ups, just give us a call!

For more information and a free quote, you may get in touch with me either on here or you may call or text 505-800-3188!
