Hi all, my name is Glade and I am with KD Cleaning LLC, a local residential and commercial window washing company, and we would like to wash your windows!

Whatever precautions you'd like for us to take during this time for Covid-19, we will more than willing to do.

*Our minimum for a window washing job is \$100

*No matter where you are in New Mexico, we are willing to travel there

*The chemicals we use are eco and pet friendly, and will create an invisible weather-proof coating that lasts about 6 months

*If the weather negatively impacts your windows and you'd like a free touch up when the weather clears, please give us a call as soon as possible

*If there are any ceiling light fixtures or anything out of your reach you'd like cleaned, we will be willing to help with that as well, though an additional cost will incur

For more information and a free, no obligation quote, you may get in contact with me on here or at 505-800-3188 (text or call)

Thank you and we look forward to working with you!
