Hi all! Glade with KD Cleaning LLC, your local residential and commercial window washing company here again to offer you clean and longer lasting windows!

We not only clean the glass, but the frames, screens, and ledges of the windows, all part of the service! We also can clean those hard to reach areas, such as ceiling light fixtures, for a small additional cost.

One of the best things about us, in my opinion, are the chemicals we use. Glass Gleam 3 is not only eco and pet friendly, but also creates an invisible weather-proof coating that lasts about 6 months, thus saving you time and effort on maintaining your windows!

With the weather being somewhat questionable, we also offer free touch ups within a sensible amount of time if the windows are negatively impacted!

For more information and a free quote, you may contact me on here or at 505-800-3188!
