Address: **102 Williams St, Lake Isabella, Wofford Heights**
Price: **Free**

We live in Lake Isabella (my wife, daughter and myself) and she no longer has income. At the same time she lost hers, I was put on worker's compensation because of a back injury I sustained.

We struggle to make ends meet, and with another baby on the way, we are scared.

We have no food in the house, and my account went into a negative balance. I literally mean NO food or money. We are desperately asking the community for help. God bless.
