Address: **7705 US Hwy 23 South, Ossineke, Alpena**
Price: **40.00 \$**

Does anyone know a local Alpena/Ossineke salon providing in home haircuts? My hair is getting unmanageable and if i have to wait until the line dies down after the stay at home order is lifted, whenever that is, I'll look like a Yeti by then.

I'm willing to pay a premium for this service (price listed below). Must have own clippers and attachments. This is a quick haircut and possibly a recurring gig if the first time goes well.
