Address:

Valley Head

Price:

9500.00 \$

This is a 2006 Maxlite 29BHS, one owner, no pets, non- smoking camper. The unit has been stored in a climate controlled warehouse, protected from the weather. There is a missing fender skirt due to a tire blow out, resulting in minimal cosmetic damage on the door side of the camper. This unit would be a good fit for a family with small children looking to enjoy the camping experience.
