Vintage Carnival Chalkware Pig Piggy Bank Marked Mexico Very Cute. Condition is Used. This adorable 12" x12" x 18" Vintage Carnival Chalk-ware piggy bank is perfect for the new person wanting to start a coin savings. This bank was from the 1950's with 1 original owner. There are no cracks but does show signs of small peeling paint (pictures) but is in overall excellent condition for being so old! It would be a wonderful piece, great for the pig collector, and heck, so large he could be considered a part of the family! If you have any questions please ask and Thank you for your interest, good luck, and have a great day!
