Address:

413 Pinebrook Circle, Off Of Hugh Ward Blvd, Brandon

Price:

100.00 \$

Baby Trend travel system that includes car seat, base, and stroller. Cute polka dot pattern. Single front wheel design makes it easy to maneuver. Car seat weight 5-35 pounds and can be rear or front facing, stroller weight up to 55 pounds.

We purchased this system from Target a couple of weeks ago, but then found a different one that we wanted. Unfortunately I had already taken it out of the box and assembled it, and now I can't figure out how to get it all back in the box to return it, ha! Brand new, never been used, still in box (box just won't close) with all pieces and instructions, including warranty/registration. As you can see from the website pictures, it was originally \$179.99, asking \$100 because it has been opened.

Let me know if you have questions about the item.
