Looking to sell my living room furniture (set of 3). Pieces are burgundy and in good condition. Very comfortable. I am the only owner. Bought them new 6 years ago. Always resided in a pet-free and smoke-free home. Only glaring issue is that the loveseat has a tear in the back (I bought it that way), but if you place it against a wall nobody is of the wiser. Asking \$125 per item, or the set of all three for \$300. Or best offer. Sofa and Recliner are with me in Portland Oregon while the loveseat resides in storage in Corvallis.
