This Jonathan Louis sofa is in excellent condition and would be a great addition to your home.

Purchased a few years ago from Trudy's Living Room in Wilsonville. When it was purchased, we had it sprayed with a stain resistant coating and it has worked excellently. There were a few times where something was spilled on a cushion and it came right out with a little bit of water.

This has been a great sofa for us, unfortunately, it's too big for our current living room.

Dimensions: 91W x 39D x 29H
All cushions are detached and reversible.

Must be picked up, cannot deliver.
