We are selling a vintage China Cabinet with a silver drawer and lighted shelves. We bought the Cabinet at an antique store in Birmingham. Just don't have the space for it. One glass shelf has a chip but it does not affect the functionality of the shelf. The Cabinet is in Montrose, but we can deliver to Mobile, upon purchase. The top comes off the bottom for easier transport. We bought the Cabinet for \$950.00, but are only asking \$375 (obo).
