Hi everyone, my name is Glade and I'm with KD Cleaning LLC, a New Mexico based window washing company, and we would like to wash your windows!

We clean the glass, screens, frames, and ledges, all part of the price!

The chemicals we use create an invisible weather proof coating that lasts about 6 months and is eco and pet friendly!

And if the weather negatively impacts your windows, give us a call within a week of when we were there and we'll do free touch ups!
