Price: **250.00 \$**

Lenovo E460
512 GB SSD (Just Replaced)
12GB RAM DDR3 (Added 8GB, came with 4GB)
Intel Core i5 6200U 2.40 GHz
Windows 10 Pro - Just Reinstalled (Digital License - Came with the computer from Lenovo)

Replaced the regular Hard Drive, with a Solid State Drive. This is a great laptop very quick to boot, runs smoothly, and can handle just about anything the average person wants to run.

Very lightly used. 250 obo
