Free

We are looking to include adults who have spent time in the Grant County jail. Volunteers will be asked to take part in an audio-recorded interview that will last about 1-2 hours. We will ask questions about your life, family, work history, and interactions with the criminal justice system. You will NOT be asked to provide specific details about cases and you do not have to answer every question. The interview will take place via phone or videoconferencing, at a day and time of your choice. Everything you tell us is confidential, so what you say will never be linked to your name.

All participants receive a \$25 gift card in return for their time. In order to join this study, please text/call 208-962-1043 or visit our website: <https://ruraljails.com/>.
